📌 Purpose of This Agreement

This Associate Participation Agreement outlines expectations, responsibilities, and standards applicable to associates in training, mentorship, licensing, and business development. By signing, the Associate commits to professional conduct, regulatory compliance, and active participation in required programs.

⚖️ Independent Status

- No employment relationship created; Associate is an independent contractor where permitted.
- Responsible for own schedule, taxes, and regulatory compliance.
- No guarantee of income, commissions, bonuses, promotions, or business success.

🛡️ Professional Conduct & Compliance

- Act honestly, ethically, and treat all parties with professionalism.
- Follow laws, policies, avoid misrepresentation, maintain confidentiality.

- Complete required compliance, AML (where required), and licensing obligations.
- Maintain accurate information and follow advertising guidelines.

📚 Training & Field Apprenticeship (FAP)

- Actively participate in onboarding, training programs, FAP activities, mentorship meetings, and continuing education.
- Certified Field Mentor (CFM) provides guidance; active communication required.
- Mentorship does **not** guarantee results — effort & consistency are key.

💻 Portal Usage & Confidential Information

- Use GWTrack responsibly: maintain accurate profile, protect login credentials.
- Respect confidentiality: training materials, internal communications, client data, proprietary resources.
- No sharing or unauthorized reproduction; obligations survive termination.

⚠️ **No Earnings Guarantee:** Individual results vary. Earnings depend on effort, skill, market conditions, and other factors. No specific outcome is promised. Associate accepts full responsibility for business activities.

📧 Electronic Communications & Intellectual Property

- Consent to receive notifications, updates, and reminders via email, SMS, or portal.
- All training materials, systems, branding remain property of their owners; copying or distribution prohibited.

📜 Code of Ethics & Termination

- Act with integrity, serve clients honestly, place client interests first, follow ethical practices.
- Violations (unlawful acts, policy breach, misrepresentation, loss of license) may result in termination.
- Confidentiality obligations survive any termination.

✅ Acknowledgment & Signature

☐ **I acknowledge:** I have read and understood this Agreement. I understand my responsibilities as an Associate, agree to comply with all policies and requirements, and accept that participation does not guarantee earnings or advancement. I agree to conduct myself professionally and ethically.
